Lion President - David Graves

Lion President David Graves recently presented the 2011 Michelle Harris bursary to deserving recipient Katriona Cameron at Hull University. The award is made in memory of former nursing student at Hull University Michelle Harris who was the daughter of Past G&L President Bob and Ann Harris. Katriona, about to commence her final year as a nursing student, was selected by University staff to receive the £150 Bursary for her academic achievements during the past year. The bursary is intended for the purchase of text books. The accompanying trophy is held in a cabinet in the University's Nursing reception area where it is a constant memorial to the life of Michelle.

Presidents Update...

Well here we are, three quarters of the way through a tremendous Lions' year. Despite the set backs of the Christmas period caused by the unprecedented weather conditions our successes have been many and I have to say thanks to all of you who have contributed to this.

I was extremely proud when a group of Glanford and Lindsey Lions attended our District Convention. We were again amazed and enthralled listening to our Young Ambassador Jamie Marshall as she addressed the Convention. Added to that, the Club was honoured in other ways. We should all share in the pride that we are part of a successful and vibrant Club in a truly magnificent Worldwide organisation. Thanks to you all for your continuing hard work.... I hope that the last three months of my year as President will be a time when we add further to our tremendous record of achievement.

2011 Michelle Harris Winner

Lion President David Graves presents the Michelle Harris Award to Katriona Cameron with representatives from the Hull University Nursing Team and Lions Marilyn Graves and Janet Ella

Lion Keith Whall

So too will the valuable support of Sue who can always be relied on to provide willing help at so many of our social and fund raising events. But to you both we wish you *Bon Voyage*... Have a wonderful time and come back to us safely

Away Down Under... Bon Voyage to Keith and Sue

Glanford and Lindsey Lions are about to lose one of their most dedicated and reliable members... well at least for a year.

Lion Keith Whall and Sue are about to embark on a trip of a lifetime. On 28th March they set out for Australia where Sue has two sisters and numerous other relatives. Their first port of call will be Perth where they plan to spend about six weeks with one of Sue's sisters before heading North to Geraldton to visit sister number 2. A Car and Caravan is waiting for them so they can then head off on the next stage of their Australian expedition which will take them to the Coral Coast. From then on there's no set plan other than a complete tour of the expansive Continent with an aim to be in Sidney for Christmas and New Year.

Keith has been an effective and dedicated member of G&L Lions for around 20 years during which time he has held a number of positions in the Club including President. His organisation and commitment (especially with Casino Nights and Golf Day) will be hugely missed.

These Lions are waiting for your call!!!

G&L's all round District success

It was a case of smiles all round for the six Glanford and Lindsey Lions who attended the recent District Convention at Lincoln.

For those attending for their first Convention it was an eye opener to the functioning of the District under the Multiple District and Lions Clubs International umbrella. The day was filled with interesting debate and presentations and it was good to renew acquaintances with so many Lions from other Clubs who have been friends for so many years. But the real thrills started with the arrival of our Jaimie Marshall G&L's amazing find who, as the District's Young Ambassador, gave a presentation to the Convention which rendered all present spellbound. In her now familiar inimitable style she 'wowed' her audience, relating the vast array of activities and fund raising in which she is involved. There was, needless to say generous applause as she finished her presentation and again when she was called to receive the District Young Ambassador Trophy.

And then the smiles continued... Glanford and Lindsey were declared winners of the District Travelling Lion Competition and Lion President David proudly picked up the District Trophy from District Governor Lion Ajit Virdi and the Convention's special guest International Director Lion Horst Kirchgatterer of Austria. More smiles followed when it was announced that the District Web Site Trophy was also to be awarded to... you've guessed right - Glanford and Lindsey. Finally, as if that was not enough excitement for one day we were then delighted as Lion Alan Hall was awarded a District Governor Certificate of Appreciation, for his services to the District in his role as District Membership Chairman Lion. All in all - a thoroughly successful and enjoyable day.
